Recreation Committee Meeting Summary Public Input on Design and Construction of Sandy Run Park Phase II

On November 17th, the Kitty Hawk Recreation Committee hosted a public meeting to gather input as the Town proceeds with preliminary designs and seeking grants to fund

the Construction of Phase II of Sandy Run Park. Located off of The Woods Road, the first phase of Sandy Run Park contains a halfcourt basketball court, shuffleboard court, horseshoe pit, picnic area, and extensive boardwalk along the waterways throughout the park. The second phase of the park's development would include an extension of the boardwalk to complete a loop exploring the variety of natural features throughout the park.

Residents at the public meeting suggested the possibility of adding a fishing pier along a pond in the park and supported the ideas of having an observation tower and gazebos at key locations to observe the natural vegetation and wildlife in the park. At the conclusion of the meeting, the Recreation Committee recommended that the following features be included during Phase II of Sandy Run Park:

- Two gazebos serving as canoe/kayak tie-up facilities over the water
- Nature observation tower
- Fishing Pier
- Interpretive signage providing information about plants and wildlife
- Picnic table
- Benches

Town Engineer Bob Stewart will be preparing a draft plan based on the committee's recommendations for consideration at the Town Council meeting on December 7, 2009.

Town Offices Closed

The Town of Kitty Hawk Administrative Offices will be closed on Thursday, November 26th and Friday, November 27th in observance to the Thanksgiving Holiday.
